## PROXIMIY CARDS & TAGS/ DTXT5434-MI - MIFARE Hands-free active cards

### Product description

The DTXT5434-MI is part of a complete range of proximity tags & cards from CDVI to complement the reader technology chosen. From standard MIFARE to long-range and smart, our cards & tags offer flexibility for the management of the users.

The DTXT5434-MI includes a battery which can be changed by the user, increasing the lifespan of the card/tag. The MIFARE device installed within creates a dual-technology card making it ideal for office use.

### Key features

- Hands-free operation
- Slot for chain
- Includes a changeable battery
- Up to 15m range
- Compatible with DTRR1434(R) readers
- Now available with DTXT5434-P proximity tag
